

## Is our future worth a conversation?

Would you like to find out how to reduce your carbon footprint?

Would you like to take some practical steps on climate change?

*You are invited to take part in **Carbon Conversations**:  
a **FREE** course of meetings starting in February in Wandsworth Town*

### What?

A small group of local residents (aged 18 - 100), exploring your response to climate change in a different way, focusing on values, feelings and lifestyle.

Plus, a chance to kick-start practical action to save carbon, and money on your bills.

- ⤴ 5 weekly two hour meetings exploring key areas of your own carbon footprint including home energy, transport and travel, food, consumption and waste
- ⤴ No lectures! A chance to discuss and talk through the issues with others who live locally
- ⤴ Have some fun, play some games, learn something new, discover tools and tips
- ⤴ Non-judgemental, you don't need to be an 'expert', just come with an open mind
- ⤴ Carbon Conversations is a proven, well-designed series of meetings. There have been four other series of meetings locally over the past year, which were extremely well received

### Who?

The course will be run by facilitators who have had Carbon Conversations training.

The workbook and games are researched and written by Cambridge Carbon Footprint

<http://carbonconversations.org/>

### When and where?

Our proposed dates start with a first meeting on 22<sup>nd</sup> February 2012, and then continue for the following four Wednesdays (29<sup>th</sup> Feb; 7<sup>th</sup> March; 14<sup>th</sup> March; 21<sup>st</sup> March). Sessions will run from 6:30 pm- 8:30 pm, and will be at a convenient location in Wandsworth Town.

### What else do I need to know?

We ask for a voluntary fee of £11.50 per person to cover the cost of the Carbon Conversation workbook, and we provide the facilitation and administration for free. Please email Miranda at [miranda.simmons@indieclubhouse.com](mailto:miranda.simmons@indieclubhouse.com) to join, express an interest, or ask any questions.

### I'm interested but don't live in Wandsworth Town.

Please get in touch anyway, the course is open to all local residents - and we will also be running further courses locally in 2012.

*Carbon Conversations is one of the Guardian's 'Top 20 solutions to climate change'*
